## Christmas on 5th Avenue South

This was a two-day traditional event saw 5th Avenue South closed to traffic and featured a tree lighting, a live nativity scene by the Church of the Nazarene, photo opportunities galore, live musicians and entertainment with plenty to put smiles on children's faces with an ice-skating rink, bounce houses, and of course, Santa himself. Restaurants offered outdoor al fresco dining while retailers offered plenty of gift ideas. The avenue was even with Porsche's and boats for the 'bigger kids' in the family.
