Dedicated to Safe Fishing in and Around Marco Island

President's Message for November 2019

Well I am back and Pete is still on the mend and he thanks you for all of your well wishes. It's hard to believe that we are already arrived at the Holiday season, I guess that if there is an advantage to growing older is that you don't have to wait so long for the holidays. But that does mean that the birthdays keep arriving quicker and quicker.

As I look at our calendar it is apparent that the next few months are filled with some exciting events. Don't worry, we did slip in some fishing. First, we have a surprise **"Welcome Back Snowbirds"** Picnic on the 20th of November. Getting Dave Walsh and his crew back in time pull this off surprised us as well, for which we are very thankful. We also have our renowned Turkey Slam and Gag events. Check the events section carefully so you don't miss them, as all our schedule get more hectic.

We will be kicking off December with our highly rated Holiday Party which has been very well received and attended over the years. The only drawback is the that there is a size limitation that makes it important that you sign up quickly. Following this we have the Tree Lighting Ceremony, the Street Parade (we will be in it) and the Boat Parade. All that just to warm you up for the Holidays. Though I am sure our Boats will not be forgotten, we are going to need to get out fishing just rest up from all that Parading.

This is also an important time of year for the club. This is when we ask you to help us run the club and help us provide fun events and activities for our members. You will find that working on the board or helping with an event will enrich your experience, and you will be glad you did. So, let us know if you want to help out. This is also time of year which we renew our membership and open the doors to new members. So, get your renewal taken cared of. If you have a friend or neighbor that likes to fish, or wants to learn, bring them to the Nov or Dec meeting to see what we are all about. I have also found it helpful to get them to read and go through our Web Site. It is open to all and really lets people know what we are about.

Please don't eat too much Turkey and I Hope to see you out on the water.

Two-Angler Redfish Tournament

October 9, 2019

by Keith Wohltman

The Two-Angler event is the premier fishing contest for the club. Completely self-funded it is a no-nonsense, hard fishing tournament where two anglers in a boat are charged with bringing in a legal Redfish catch. That is two slot-sized (18" – 27") Redfish, both alive, to be measured on the club's digital scale. No photographs of the fish caught and placed on a ruler – just two fish in a basket to be weighed. Fourteen boats, with some of the club's finest anglers, ventured out with the goal of winning this event.

Despite some red tide in the area, it turned into a great fishing day with good weather.

All but one boat brought fish to the scales. Here are the winners of the event.

- John Mueller and his lovely wife Kate (word on the street is she caught both fish) with a combined weight for two redfish of **7.04 lbs** ----- \$416.00
- The team of Dave Dodd and John Moore were in second place with **6.72 lbs.** ----- \$312.00
- Third place went to the team of Ed Brown and Skip Endicott **with 6.60 lbs** ----- \$208.00
- The team of Gary Costley and Rod Link came in fourth with a weight of **6.14 lbs.** ----- \$104.00

The Two-Angler committee (Ron Linn and John Baker) would like to give a big shout out to the crew at the weigh in ...

Joe Cafferelli, Keith Wohltman, Jay Terzis, Dave Walsh, and Ed Shebert

Kate Mueller with "her" two redfish!

Great fish, wrong tournament.

Kayak Fishing Mcllvane Bay

October 21, 2019

by Victor Ordija

Four kayakers fished Mcllvane Bay; Mike Larsen, Dave Dodd, John Baker and Vic Ordija. While fishing conditions on this day were good, the bite was generally slow. The bite picked up somewhat as the morning wore on and the group caught over 30 Snook, but all were small fish except for a 26" Snook caught by Mike Larsen. Only four Redfish were caught this day and Mike also reported catching a 22" Redfish; the largest one caught during this outing.

Mcllvane Bay continues to be a good venue for kayakers. Access for kayakers is excellent with numerous kayak groups utilizing the area. Power boating traffic is low due to the shallow conditions in the bay and fishing pressure is believed to be light

Contact Victor Ordija at vicord1@comcast.net to sign up for the Kayak Group and receive information regarding upcoming trips. You can also sign up at the next General Meeting.

Update from the Editor October 2019

A few more dark mornings then Daylight Savings Time ends and the AM fishing conditions should improve. Some other big changes include the reopening of the Ships' Store at the November 7th general meeting and the end of the Triple Crown Tournament. Made a brief stop at the Water Advisory Committee meeting of the 17th. No major announcements or actions, nor any feedback regarding the Florida EPA letter published in last months newsletter.

Anyone can access the WAC meeting minutes or view a video of the meeting. Go to City of Marco Island web site and search for "Water Advisory Committee Meeting" and a monthly calendar will come up showing all City meetings for the month. There are columns for agenda, minutes and video, just click on what you want. The October minutes should be posted shortly. You can also access prior months. Check it out and stay informed regarding water quality issues.

Finally, below is a photo submitted by Alex Shvartser showing his "special catch(s)". If you wish to reach your editor or submit a photo with a short "fishtale", I can be reached at pfwanzenberg@yahoo.com.
