President's Message for May 2021

May 2021 Tackle Box

May is one of the nicest months on Marco. The days are longer, warmer, not so humid and the crowds are smaller, both on the water and on the island. The water temperatures are also rising and that means our prized game fish are back and the bite is on! Snook, Redfish and Seatrout are more aggressive, and an occasional Tarpon has been seen rolling in the area. It is a fun month to fish.

As we bid farewell to April, we can recall several events that challenged our anglers. The backwater "Back to Normal" event spanned the entire month of April and focused on getting our members out to enjoy fishing with their friends. Offshore, we had the Super Grouper/Snapper tournament and some uncooperative gulf weather conditions. Our anglers made the most of it and managed to get offshore to find fish. Our Kayak fishing group went to the Fakahatchee Strand Preserve State Park for some freshwater fishing and struggled to find the bigger fish that lake usually holds. Check out all the event reports for more details.

The club also held its second in-person meeting at the YMCA and an impressive number of members came to the meeting. In addition to event awards presented for the "Trout Spotacular", they were treated to a great presentation by Brandon Acosta and his team of Captains from "Everglades City Fishing Charters". Highly informative indeed. As a bonus, we held a raffle for a charter fishing trip. A report on the trip will come next month.

On the social scene, Dave and Susie Walsh held their annual "Taste of Italy" picnic at Sarazen Park. Even a passing drizzle could not dampen the spirits of the attendees. The food was excellent. Kudos to Dave and Susie and all the servers!! It sure was great to see everyone enjoying the event. They will quickly follow up this picnic with their "Cinco

de Mayo” picnic, held appropriately on May 5th.

May’s backwater event will be the “Spring Slam”. Anglers will try to score a “Slam” by catching all three of the targeted species - Snook, Redfish and Seatrout. Offshore we continue with the year-long “Offshore Slam, proudly sponsored by Rose Marina”. And our Kayak group will head to the Isles of Capri Paddle Park and fish Johnson’s Bay. Kayak anglers are also competing in the year-long “Kayak Slam Challenge” and will look to add Snook, Redfish and Trout to improve their standings. “Slam” seems to be a theme for this month.

Our monthly meeting will be held at the YMCA once again on Tuesday, May 4th, and feature Captain Kevin Bellington of “Sea Gone Fishing”, as the speaker. A raffle will be held for a charter trip with Capt. Bellington.

If you can, get out and fish!

Offshore Update – May 2021

What's Happening Offshore...

The Red Grouper bite is still hot, many limits being reported, especially in 100'+. The Snapper are out there on the wrecks and ledges, spawning should start be starting at the late April full moon and into May – it's a good time to try chumming them up at night. Cobia and permit are around on the nearshore and offshore reefs and towers. The best fishing will usually occur on the better tide days and windows – use your solunar activity tables. Focus on catching your trophy fish for the “MSC Offshore Slam, proudly sponsored by Rose Marina”. Get out there and have some fun...and be safe.

Offshore Events...

MSC Offshore Slam proudly sponsored by Rose Marina – The Offshore Slam is a full calendar year tournament so there is plenty of time to catch your Slam of Grouper, Snapper, Permit, and Cobia and win the trophy and some \$\$\$.

We also have an award for the boat captain responsible for the most Offshore Slam fish entries. This tournament will be the Offshore version of the highly successful Triple Crown tournament the Inshore guys enjoy. **The deadline to enter is June 30, 2021**, but you cannot enter a fish caught before you enter, so sign up now before you catch that monster fish and wish you were entered! We have a couple nice Grouper entered so far...don't miss out.

Thanks to Rose Marina, the club and the entry fees paid, have ample budget for additional prize money, trophies, swag, and an awards party.

We have 25 anglers signed up so far and a total event budget of over \$3000 which will continue to grow as additional anglers sign up. What are you waiting for??? Sign today, it's worth the \$25...I promise.

See attached table with the current standings.

Please show your appreciation to the great team at Rose Marina by giving them your business, and use your MSC membership card to get your club discount too.

The event Flyer and Sign-up Sheet is included in this newsletter and posted on the MSC website. Enter today!

Super Grouper / Snapper April 2021 – The weather didn't completely cooperate for us and several boats did not make it out. Those that did, caught some decent grouper but not many snapper were entered. Thanks to all who entered the event.

Congratulations to the winning Captains / Crew – see attached table with the complete results and some cool pictures. The biggest grouper was a 33.25" fire truck caught by Allan Bristow of Team Mueller. Team Mueller also won first place in the 120" Grouper division with a three Grouper total of over 93", followed by Team Lopez, and Team Hillyer. Team Erickson won the 120" Snapper division, and Frank Troha won the 80' Grouper division.

Other Important Stuff...

Check out the Offshore Fishing reports on the MSC website, they are on the Offshore Homepage.

Offshore Captains - don't forget to send me your Offshore Fishing Reports and photos of any remarkable catches when you return from fishing!

If you fish offshore and want to be added to our offshore email distribution, please send me a request via the link on the Offshore Fishing homepage and I will gladly add you to this exclusive team.

If you have any ideas, or want to volunteer to help with offshore events, feel free to contact me anytime.

**April MSC Kayak Group Trip
Fakahatchee Strand State Park (AKA: The Basshole)
Submitted by Howard Laskau**

After waiting a few months for the water to warm up, the kayak group made their way back to the Basshole earlier this month for a fresh-water fishing adventure. There was a heavy fog/mist on the lake in the morning and the kayakers disappeared into it as they headed out in the morning. But, it didn't take long, and as soon as the air warmed up a little, the fog lifted.

The bite was a little slow to start, and a few small bass were reeled in. But then, Dave Schott felt a big pull on his line and reeled in the fish of the day....a 22" Bass. That fish put Dave on the 2021 Kayak Group Leaderboard for Bass. Besides Bass, the kayak anglers have a chance for bragging rights for the largest Snook, Redfish or Trout caught on an MSC kayak outing during the year.

Ken Robertson had his hands full with a fish he thought was a going to put him on top of the leaderboard, but he ended up with a Bowfin and picks up "strangest fish" of the day honors. These prehistoric-looking fish put up a big fight and have an impressive set of teeth! You never know what you will find at the end of your line when you are in one of these fresh-water lakes deep in the Everglades! There were a few "alligator sightings" during the day, but that is usually expected in these backwater areas.

To learn more about the MSC Kayak group and/or the 2021 Fishing Challenge, please visit the MSC website. While there, take a few minutes and check out the articles on past outings we have taken to different locations in this area.. When you see what can be caught in a kayak, it just might surprise you! If you want to be placed on the Kayak Fishing Mailing List or if you have any questions, please use this link to contact Howard Laskau, the MSC Kayak Events Coordinator:

<https://www.marcosportfishingclub.com/email-form-ContactOfficer.htm>

In May, our monthly kayak event will take us to the Isles of Capri Paddle Park for a fishing tour of McIlvane Bay, Johnson Bay and the many mangrove islands and trails that can be found in this area. If you want to enjoy some beautiful scenery, have a fun day on the water, and maybe even catch a few fish, please join us. Hope to see you there!

April Back to Normal Month-long Backwater Event

As you are reading this the winning fish have been caught and we are about to hand out the prizes. But as I am writing this, the month is not yet over so I can't tell you who has won. I am expecting to hand out the winnings at our May meeting on the 4th. I think there will be some surprises.

It was a tough and windy month and many of us spent more time with repair guys than fishing. But so far, we have all made it. We need to thank George Wittmann for dealing with all our entries and unusual photos. Holding the fish, getting them to stop moving and seeing your phone in Florida sun - shine is no easy feat.

But at least, unlike our up coming "July Shark Bites Man Event" we did not have to worry about being eaten.

Thanks for participating
