President's Message for June 2021

June 2021 Tackle Box

June is here and soon the afternoon thunderstorms will be rolling through. As we move toward the warmer and wetter months, we need to keep a weather eye out and plan our fishing trips more carefully. We also need to

pay attention to the weather systems that will be moving through the Atlantic and Gulf of Mexico.

May brought us some decent weather, perhaps a bit too windy at times. Our game fish were back and biting, although Redfish were scarce. The "Spring Slam" had several boats record all three fish species and it was great day on the water. Tarpon have been sighted and "Jersey" (aka John Marchetti) landed a good-sized fish on light tackle in May. The kayak group were closed out in May due to small-craft warnings, but they will be back and fishing the Halfway Creek Loop in June.

Looking ahead to June events, we target Snook in the backwater in the always exciting "Snooky Hooky" event. Our Offshore anglers continue to put fish on the "Offshore Slam" leaderboard. As a quick reminder, anyone wishing to participate in this event has until the end of June to sign up. Twenty-six anglers are competing in the event thus far and there is plenty of time left to fish.

Our general meeting will be held at the YMCA on Tuesday, June 1st at the regular meeting time of 7:00 PM. This will be an interesting and informative meeting as we have brought together a panel of the club's premier offshore anglers to talk about finding and catching offshore species several of which are upcoming FOMs: Grouper, Cobia, and Permit. As an added feature we will have Mike Sipos, the Florida Sea Grant Agent - UF/IFAS Extension for Collier County, here at a table, discussing several methods to

release offshore species suffering from Barotrauma.

Our picnic this month is the long awaited "Steak Picnic" to be held at noon, June 16th at Sarazen Park. You will not want to miss this event. Check the flyer in this edition for all the details.

Just on the horizon we will embark on the four-month-long "Triple Crown Tournament" which kicks-off on July 1st. Sign up now at the discounted fee of \$20 and use the credit card payment option to ensure you are registered before June 30th. Be sure to see the flyer in this edition.

We do need a few volunteers to help keep the club running smoothly in 2022. We will need someone to run the "Sheepshead Tournament" and someone to become the club's Quartermaster. Gloria Robertson who did an outstanding job with both of those positions for the past 4 years will step down at the end of 2021. Gloria will help anyone stepping up get started in either, or both activities.

If you can, get out and fish!

Offshore Update – June 2021

What's Happening Offshore...

The Red Grouper still being caught in deeper water, expect them to begin to move shallower as the water gets warmer. The Snapper are out there on the wrecks and ledges, spawning is underway and will end soon, it's a good time to fish the full moon with lots of chum (don't forget to bring your barracuda repellent!). Cobia and permit are around on the nearshore and offshore reefs and towers, good catches of permit have been reported. The best fishing will usually occur on the better tide days and windows – use your solunar activity tables. That said, my neighbors and I had an epic permit day a few weeks ago (check out the photo below) with a bad tide in between moon phases, so unless you are fishing you won't be catching. Focus on catching your trophy fish for the "MSC Offshore Slam, proudly sponsored by Rose Marina". Get out there and have some fun...and be safe.

Offshore Events...

MSC Offshore Slam proudly sponsored by Rose Marina – ENTRY DEADLINE IS JUNE 30! The Offshore Slam is a full calendar year tournament so there is plenty of time to catch your Slam of Grouper, Snapper, Permit, and Cobia and win the trophy and some \$\$\$\$. We also have an award for the boat captain responsible for the most Offshore Slam fish entries. This tournament is the Offshore version of the highly successful Triple Crown Tournament the inshore guys enjoy. **The deadline to enter is June 30, 2021**, but you cannot enter a fish caught before you enter, so sign up now before you catch that monster fish and wish you were entered! We have many nice fish entered so far, but no Slam's...yet. Don't miss out.

Thanks to Rose Marina, the club and the entry fees paid, have ample budget for additional prize money, trophies, swag, and an awards party.

We have 26 anglers signed up so far and a total event budget of over \$3000 which will continue to grow as additional anglers sign up. What are you waiting for??? Sign today, it's worth the \$25...I promise.

See attached table with the current standings. Remember to email your entry photos to me for the standings within 24 hours of catch.

Please show your appreciation to the great team at Rose Marina by giving them your business, and use your MSC membership card to get your club discount too.

The event Flyer and Sign-up Sheet is included in this newsletter and posted on the MSC website. Enter today!

Super Grouper Fall 2021 – Save the Date, we will be planning the Fall Super grouper tournament in December 2021, fishing window TBD. We will have a captains meeting and awards lunch assuming no major change in COVID status.

Other Important Stuff...

Check out the Offshore Fishing reports on the MSC website, they are on the Offshore Homepage.

Offshore Captains - don't forget to send me your Offshore Fishing Reports and photos of any remarkable catches when you return from fishing!

If you fish offshore and want to be added to our offshore email distribution, please send me a request via the link on the Offshore Fishing homepage and I will gladly add you to this exclusive team.

If you have any ideas, or want to volunteer to help with offshore events, feel free to contact me anytime.

Tight Lines!

Offshore Slam Species: Grouper (Red, Gag, Black)

Snapper (Mangrove, Lane, Yellowtail)

Permit

Cobia

Entry Fee: \$25 for MSC Anglers

Prizes: Based on number of anglers participating, maximum one prize per angler

- Total combined length of the largest fish of each Offshore Slam species entered by the angler.
- Angler must catch and enter one fish of each species to qualify to win.
- All fish entered must be caught by the angler entering the fish without assistance.
- Angler may upgrade any fish entered if a larger specimen is caught within the tournament timeframe.
- This is an individual angler tournament and is not tied to a specific captain or boat. The angler may fish on anyone's boat at any time (like the Triple Crown).
- Offshore Slam species – Grouper (Red, Gag or Black), Snapper (Mangrove, Yellowtail or Lane), Permit, Cobia.
- In addition to the Offshore Slam prizes, the largest fish of each individual species will be awarded a prize, as will the boat captain with the most entries caught.
- Any fish caught during this event will also qualify for MSC Leaderboard and Fish of the Month entry.

Captains Meeting: Due to the virus, there will be no captains meeting. Please see instructions on Sign-Up Sheet below to submit your Sign-up Sheet and to make payment.

Awards Party: There will be an awards party at Rose Marina in January 2022 (date / time TBA)

Rules:

1. All anglers must be an active MSC Member.
2. MSC "No Guide Rule" applies - No fishing with, or on, a guide's boat.
3. MSC "Offshore Boundaries" apply - South to Lat N 25.10.0, North to Lat N 26.05.5120', must fish within these boundaries and at a depth of 120' or less.
4. "Two Line Rule" applies - No more than two rods per angler.
5. All fish entered must be caught by the angler entering the fish without assistance from any other angler.
6. Each fish entered must be photographed individually on a vertical edge tournament ruler, mouth closed and tight against the vertical edge of the ruler (not following the measurement rules may result in a reduction in size if the measurement is not clearly evident). **All entry photos must be emailed to Jim Scarpa at the email address above within 24 hours of being caught, please include the name of the boat captain as well.**
7. Sign-up Sheet and Entry Fee must be received by Jim Scarpa by June 30, 2021 or the angler cannot participate in the tournament. **While tournament entry is allowed after fishing begins, no fish may be entered in the tournament that is caught prior to the angler submitting their Sign-up Sheet and Entry Fee.**

May 2021 Spring Slam Results

Submitted by Charlie Schwalje

The Spring Slam was held on Tuesday, May 11th. Angler participation was light with only ten teams competing. Fishing conditions were good with light winds, a good tide and water temperatures in the low 80's. A total of 15 fish were tallied – 6 snook, 5 redfish and 4 trout. Four teams completed the slam. Three other teams tallied fish but weren't able to catch all three species. Here are the results...

- 10 teams totaling 19 anglers participated
- 19 anglers: – 18 members – 1 guest for a total of \$195.00 in entry fees
- Club funds – \$200.00 – Total Prize Pool = \$395.00

Team Awards:

1st - Ken Robertson, Mike Larsen – 30.25" snook, 21" redfish, 16.5" trout - Total 67.75" - \$85.00

2nd- Jim Mueller, Jay Jones – 18.75" snook, 25.75" redfish, 18.75" trout - Total 63.25" - \$70.00

3rd- Ralph Crowell, John Ryckman, Keith Wohltman – 23" snook, 22.5" redfish, 16.75" trout - Total 62.25" - \$60.00

4th- Victor Ordija, Gary Costley – 19.75" snook, 26" redfish, 16.25" trout - Total 62" - \$50.00

5th- Allan Bristow, John Baker – 22" snook - Total 22" - \$40.00

Individual Awards for Longest Fish:

Snook – Ken Robertson - 30.25" - \$30.00

Redfish – Victor Ordija- 26" - \$30.00

Trout – Jim Mueller- 18.75" - \$30.00

Total Prize \$ Awarded = \$395.00

Thank you to everyone who participated!

Update from the Editor June 2021

Your editor was back attending the Water Advisory Committee (WAC) meeting. There are several new members including former councilman William Trotter. The focus of the meeting was on water quality issues, including recent test results, circulation improvements, and enforcement of the existing code regarding property runoff.

The April tests results showed a decline in nitrogen levels, most likely due to the lack of rain and resulting minimal runoff into waterways over the last several months. Regional testing showed the Marco Island results to be the same as those from the Ten Thousand Island waters, but slightly higher than results from Rookery Bay.

The project to install large pipes under San Marco Road to enhance tidal circulation has been approved and funded. Installation should happen next year. A similar project is happening along Route 92 heading towards Goodland and beyond.

The discussion regarding code enforcement centered on waterfront homes which discharge roof and yard runoff directly into adjacent channels. This is a code violation which is not being enforced. The recommendation is to survey via boat, noting homes with violations. Following the survey there would be a "Door Hanger" champagne which would place at the homeowners' door a Bulletin containing code information and detailing environmental damage caused by the direct discharge of runoff into our channels. The goal is to get voluntary compliance regarding this sensitive issue.

The above is a sample of what the Committee is all about. More support of the committee by MSC members would help them as they present their recommendations to the City Council. The Committee works hard on environmental issues and we all should hope their efforts will lead to action by the various City Departments. The next meeting should be July 15th, 9AM at the City Meeting Room.

Regarding the various Club activities checkout the other pages of this newsletter. As always, your Editor welcomes interesting pictures and short "Fishtails" regarding same. I can be reached at pfwanzenberg@yahoo.com.

SUMMARY of PARKING RULES at SARAZEN
 MSC picnics are generally held at Sarazen Park (check picnic flyer). Sarazen Park is a private park located at the SE corner of the Collier Blvd. and Swallow Ave. It is controlled by The Marco Island Civic Association (MICA) and parking in the park requires a member's pass. MICA membership is available to owners of improved property on Marco Island or yearly renters. Each adult member is issued a membership/beach pass card.

JOIN MICA to avoid any parking problems. If you live on the beach and don't belong, consider joining for the other benefits MICA provides. Besides use of Residents Beach and Sarazen Park, there are activities such as free concerts, plus discounts at restaurants and other venues.

Car pooling is suggested to provide more spots for fellow MICA members.

PARKING IN SURROUNDING SWALES IS SUBJECT TO A FINE

The normal fine for parking on a swale within the vicinity of Sarazen Park is \$95, however due to City Covid-19 restrictions the fine could be \$200 with the possibility your vehicle could be towed.

If you cannot get a MICA pass because you are a short term renter or have moved off the island there are alternatives:

- 1) If you do not have a pass you can walk in and pay \$5/person (new rule). See below for suggestions on where to park.
- 2) Obtain a Collier County beach parking pass and park in the Collier County beach parking lot, which is adjacent and east of the MICA lot. The stickers are free to Collier County residents and available at the Marco Island Library and other sites throughout the County. You cannot park in the MICA lot with this sticker. Note that in season on good beach days, the Collier County lot could be full by mid-morning. MICA \$5 walk-in fee applies.
- 3) Pay the fee for parking in the Collier County parking lot of \$8 (correct change required).
- 4) Have a MICA member give you a ride into Sarazen. Suggested meeting places are: Publix, San Marco Catholic Church, the former big Publix, or the Jewish Congregation of Marco Island.
- 5) See New Parking Rules for additional info:
