Dedicated to Safe Fishing in and around Marco Island

## President's Message for March 2022

After a rather chilly and very windy start to 2022, the “Springtime” weather has returned. As the air warms up so does the water and the fish species we target begin to change. Soon Seatrout and Redfish will once again be seen in larger numbers. An occasional Snook will show up as well.

Late last month we held the 2022 Sheepshead Shindig. We had 65 anglers compete on an absolutely perfect weather day. Even those who fished in the Gulf were treated to calm seas and light winds. Be sure to read the report of this event in this edition.

Our other fishing events had less than ideal weather conditions. We had the second Buddy Trip cancellation on February 14<sup>th</sup> due to a “Small Craft Advisory” issued by NOAA. Offshore fishing was also impacted and as a result very few additions were made to the Leaderboard through the first two months of the year.

However, the weather was perfect for the FeBREWfest XVII picnic. Photos from the picnic have been posted on the club website.

The February General Meeting was well attended and our “Speakers Series” presentation by Capt. Aron Blaisdell was both entertaining and informative. Capt. Blaisdell focused on fishing for Sheepshead to tie into our big February tournament. During the meeting, both the “2021 Leaderboard” and “Kayak Challenge” winners were awarded their tournament shirts.

The March General Meeting will actually be the 2022 “Deal or No Deal” event held at the YMCA Airnasium on March 3<sup>rd</sup>. This event is a great opportunity for members to obtain high quality fishing and boating gear at bargain prices. We will have a surplus club merchandise sale with all items marked at 50% off their regular price. Look for the flyer in this edition.

We have a boat load of fishing activities in March. The 2022 Offshore Slam, proudly sponsored by Rose Marina, continues all month long. On March 8<sup>th</sup> the Kayak Group will go to Stopper's Creek.

We will participate in the Naples Kids Fishing Clinic on March 5<sup>th</sup>. We have also been asked to participate in a new activity, the “Outdoor Adventure Day at Big Cypress National Preserve”, scheduled to be held on March 15<sup>th</sup> and 16<sup>th</sup>.

Our big fishing event for March is the much-awaited lady angler extravaganza “Baiting Beauties 9”. The captains meeting for BB9 will be held on Thursday, March 10<sup>th</sup> and fishing and an awards picnic will be held on Friday, March 11<sup>th</sup>. There is still time to sign up for this event and the registration form is on the website.

We round out the month with the “Trout Spotacular” backwater event, the kick-off of the offshore “Super Grouper” and a Buddy Trip. Look for the event flyers in this edition.

March would not be complete without our St Patrick’s Day themed picnic on March 16<sup>th</sup>. One of the highlights of this picnic is the Jason’s famous “New York Yankee Sammich”, piled high with corned beef. If you have not signed up for this picnic yet, do so soon. You do not want to miss this picnic.

We are also planning a “New Member Luncheon” on March 21<sup>st</sup> at the Marco Island Brewery. All new members who have joined the club since November of 2020 will be invited to attend. Due to Covid, we did not hold an orientation for new members in 2021 so we are hoping to catch up. There is an event flyer for this event in this edition.

Looking ahead to April, we will hold a month-long backwater event, the conclusion of Supper Grouper, the continuation of the Offshore Slam, proudly sponsored by Rose Marina, a Buddy Trip, and a kayak freshwater trip. We will also have 20 members fish on the American Patriot for 4 days.

The April General meeting will return to St. Mark’s Parish Hall on Thursday, April 7<sup>th</sup> and our speaker will be Capt. Jed from Pro-Fish-In-Sea charters to talk about “Nearshore” fishing.

Our picnic for April will focus on a baseball theme – “Swing Into Spring”. Members are encouraged to wear their favorite team logo items. While the menu is still evolving, Dave Walsh mentioned things like hot dogs, peanuts and crackerjacks....

If you can – get out and fish!!

Keith

# Offshore Update – March 2022

## What's Happening Offshore...

Keeper Red Grouper are being caught typically in 100-110' of water, have had a few reports of 30"+ fish recently.

Snapper are out there on the wrecks and ledges at all depths. Cobia are here near structure and should be around for the rest of March and they will migrate north. African Pompano & AJ's are around structure.

Pick a calm day and get out there and have some fun...and be safe.

# **April Month Long “WERE BACK”**

## **Backwater Fishing Event**

**Hold the Month, Yes, the Whole Month**

**Looks like we have our Normal Back**

To help us regain normal, the Marco Sportfishing Club is having a monthlong Backwater Event. This April’s event will allow you to fish as many days as you wish in the month. You can pick the Days, weather, Tides, the Hours, your Partners, and the Area (within our club boundaries).

You will also be helping to pick one of the 4 target species. The first three (Redfish, Snook and Seatrout) are our regulars. But the fourth will be voted on by you.

The Individual Prizes will be for the Largest, Second, Third and Fourth largest fish of each of the four species. There will be a Grand Prizes for the individuals with the longest and second longest stringer of all 4 species. To prevent someone from running the table, there will be a maximum of two prizes an individual.

The entrance fee is \$20 (\$25 for nonmember). All the prizes will be individual, so Captains you can change out your crew, assuming they have signed up.

So, sign up, no fish can be registered until you have paid. If you leave town early you, can still win if your previously registered fish makes the cut.

This is our chance to get off the couch, get out of the house and begin to act relatively normal. So sign up now and welcome back to Marco Normal.

Looking forward to seeing you out and about.

## January & February MSC Kayak Group Outing

### Hell's Gate

The January Kayak trip scheduled for Wednesday 1/26 had to be put off for one day to Thursday 1/27 due to weather. This month's stop was Hell's Gate off of the Goodland bridge. The kayakers headed out a little after dawn trying to take advantage of the tides. Fishing was a little slow but after trying various locations the action picked up as the day warmed. The gang managed to pick up a "group slam" fairly quick. Numerous snook were caught along with a half dozen trout, a few snapper and plenty of Ladyfish. Ken Robertson also managed to land a nice tripletail and a 28" Jack that gave him the fight of the day. Vic Ordija added a nice redfish along with a smaller one.

## February MSC Kayak Group Outing

### Everglades City/Chokoloskee Bay

The February MSC Kayak Group headed down to Everglades City/Chokoloskee Bay on Friday 2/18/22. The day started out cool as the kayakers began their journey on an outgoing tide. Howard Laskau then led the group into Everglades National Park and through some of the beautiful mangrove trails that can be found there. Fishing picked up as the day warmed with Dwayne Metzger getting close to a slam with a 19 ¼" Snook and a decent Trout. Vic Ordija added a 17 ¾" trout. The biggest excitement of the day was when Howard Laskau hooked an approximately 4' shark which after getting off came straight at him and went right under his kayak. Both Howard and the shark were glad not to meet each other.

To learn more about the MSC Kayak Group please visit the MSC website. If you would to be added to the Kayak Fishing email list or have any questions on kayak fishing in general, please contact Howard Laskau.

# **Buddy Trip**

## **February 14, 2022**

**This was the second Buddy Trip of the season that went nowhere. Because of high winds and Small Craft Warning the fishing part of the event never happened. Many of us were disappointed but it is better to be safe.**

**The trip was to consist of 7 boats and 22 anglers all with dreams of catching the big one.**

**The high light of the day ended with 42 people enjoying cocktails and dinner at Paradise Found Restaurant and Bar. The restaurant owner, Jim was kind enough to supply a beautiful red rose to each lady.**

**As in all the Buddy Trip dinners the camaraderie was great because the Buddy Trip family is made up of a close group of friends.**

**If you wish to join the Buddy List email Joe Perino [rivpress@aol.com](mailto:rivpress@aol.com)**

### **POLICY Summary**

- 1) Due to scheduling and caterer contracts, picnics will be held rain or shine (except in the event of named storms).
- 2) No refunds will be given for cancellations on the day of the picnic.
- 3) A list of paid attendees will be published several days prior to the picnic so there will be no confusion about who has paid or not paid.
- 4) In order to facilitate the above and allow proper notification to caterers, payment deadline is one week prior to the picnic.
- 5) Payment must be in the hands of the picnic chairman by the deadline, not in the mail (just like the banks, so be aware of holidays).
- 6) The late fee is \$3 per/person.
- 7) Walk-in fee is \$5 (plus \$3 late fee).
- 8) Guests cost more (other fees above also apply).

### **CURRENT PICNIC PARKING RULES**

Picnics are held at the MICA Sarazen Park (910 Swallow Ave.) and MICA membership is required. There are several alternatives if you do not qualify for MICA membership:

- 1) Collier County residents can get a Collier County beach sticker and park in the Collier County parking lot, which is adjacent and east of the MICA lot. You cannot park in the MICA lot with this sticker. Be aware that Park Rangers sometimes hassle you, claiming the parking is for the beach only, and will ticket you if you go to the picnic. HINT: Don't make it obvious you're going to picnic (e.g. passing chairs over fence).
- 2) Pay the fee for parking in the Collier County parking lot (\$8).
- 3) Ride with a MICA member.
- 4) Have a MICA member ride with you.
- 5) Parking on the swales within a mile of South Beach Access or Sarazen Park is not permitted. The current fine is \$95.
