Dedicated to Safe Fishing in and around Marco Island

## President's Message for June 2023

Welcome to Summer in Southwest Florida. The temperature is on the rise, and we can soon expect the rainy season to begin. Plan your fishing trips accordingly. Keep a weather-eye out for those afternoon thunderstorms.

I know you thought you'd seen that last of me in the newsletter, but we have had some leadership changes this month, and well, I'm back.

The club continues to function and although I was enjoying "retirement", a ship goes nowhere with no one at the helm. Or at best, not in a desirable direction. Kind of like my trolling motor these days.

The crowds have vacated Marco to a large degree and traffic patterns have returned to a more relaxed pace. Someone mentioned they could do "left-hand turns" once again. Local restaurants are also less crowded. And most importantly, the waterways are more peaceful.

That doesn't mean our club is resting on its laurels... we had plenty of activities in May, and more are planned for this month.

Howard Laskau held his annual "2023 Kayak Slam" last month and Charlie Schwalje hosted the "Spring Slam" for our backwater anglers. Reports from both events will be in this issue. Offshore, Jim Scarpa put month number 5 in the record book from his "Offshore Slam".

On the social scene, Dave and Susie Walsh held the always exciting "Tres de Mayo" picnic at Sarazen Park.

Kicking off June we have the membership meeting on June 1<sup>st</sup>, held in the Willis Room at St Mark's Church. We plan to hear about the upcoming "Triple Crown Tournament" and the "Paul Milici Memorial 'Man Bites Shark' Tournament" both scheduled in July. Be sure to check out the flyers in this edition and on the coming events page of our website.

June will also have the "Hook That Snook" backwater event run by Ron Linn and another month of the "Offshore Slam". Remember this is the final month for sign-ups for the "Offshore Slam".

Howard's kayak group will also try to find some cool water to paddle in this month in Halfway Creek.

Dave and Susie Walsh will host the “Steak Picnic” on June 7<sup>th</sup>. This will be a bittersweet event as it marks the final picnic hosted by Dave & Susie. After 18 years of planning and running the club picnics they are retiring. I know I speak for all our members when I say, “Thank you Dave and Susie for all the wonderful memories.”

We are still in negotiations for our Holiday Party in December. Venues and pricing have made this more difficult this year. We hope to report on the date, cost, and venue shortly.

In addition, our liability insurance warrants some additional documentation to protect the club and communications will be forthcoming on how you can help.

This brings us to the final bit of club business for this month. We have some open leadership assignments coming in 2024. The interim board officers, John Ryckman as VP, Chris Hutchings as Treasurer, Pete Arcidiacono as Past President, and yours truly as President have signed on until the end of 2023. We will be seeking members to join the board and help run your club. Even if you can't do one of those jobs, the board and event leaders could use members to help with other tasks. We clearly need someone with financial skills to be able to fill the Treasurer role.

Outside of these board positions we will need someone to tackle the Sheepshead Tournament and fill the rather large empty shoes left by Dave and Susie to host the first picnic in January.

Our club can only provide all the events you enjoy with the help of volunteers. We have over 350 family memberships and some of you will need to step up and help. Dave and Susie helped for 18 years, some of your board members have as much or more time doing the activities that make this club special...

We need you to come forward and make 2024 our best year yet.

Tight Lines,

Keith

# Offshore Update – June 2023

## What's Happening Offshore...

Don't forget...Gag Grouper is closed and will re-open Sept 1 through Nov 10, 2023.

**Red Grouper fishing is being closed Starting July 21, 2023 through the end of the calendar year...get them while you can!**

**American Red Snapper summer season for recreational anglers will run from June 16 through July 31, 2023, and fall season will be every Friday-Sunday in the months of October and November 2023. "For Hire" vessels may harvest from June 1 through August 24, 2023.**

Red Grouper are being caught from 45' on out, with larger fish and higher keeper rates in the 100-120' range. Target your fishing window during times with good current flow and high solunar activity for best bite...and prior to the closure July 21. Snapper can be caught at all depths (bigger fish usually being in deeper water) near reefs / wrecks and on ledges. There have been Cobia in the area around structure, keep a live bait or big jig handy in case one pulls up behind your boat (they are not the smartest fish in the ocean). African Pompano can be found typically near structure and as shallow as 80'. AJ's are around structure as well, they are fun to bend a rod if you are looking for a great fight. There has been a lot of bait at all depths so keep an eye out for Bonito and Spanish Mackerel feeding on the bait, look for surface activity and working birds to locate them, they are lots of fun on light tackle – don't forget the wire leader for the Mackerel! Trolling lures or drifting larger live baits on the outer edges of the Spanish Mackerel schools may find a hungry King too. Last, but not least, Permit are everywhere...look for them on any wrecks / reefs with high relief and around the towers – they are lots of fun to catch and cannot resist a live crab.

Pick a calm day and get out there and have some fun...and be safe.

## Offshore Events...

### MSC Offshore Slam 2023, proudly sponsored by Rose Marina

Don't forget to sign up for the 2023 Offshore Slam – **the entry deadline is the end of June**, the event flyer is in the Newsletter and on the MSC website. We made a few improvements for this year...we added several additional species to the list to make it easier to complete a Slam and are again allowing fish that are not in season or of legal size to be entered – please handle these fish with care and get them back in the water healthy.

Current Standings are below and on the MSC website - we now have 9 anglers with completed Slam's, a three-way tie for Top Captain and a big shake-up in the leaderboard...and a lot of nice fish entered. Competition is fierce this year!

**Check out the real-time leaderboard on the MSC website and by using the following link: [2023 Offshore Slam - Public View - Google Sheets](#)**

Please show your appreciation to the great team at Rose Marina by giving them your business, and use your MSC membership card to get your club discount on fishing tackle / bait too.

## Other Important Stuff...

Check out the Offshore Fishing reports on the MSC website, they are on the Offshore Homepage.

**Offshore Captains – Don't forget to send me your Offshore Fishing Reports and photos of any remarkable catches when you return from fishing!**

If you fish offshore and want to be added to our offshore email distribution, please send me a request via the link on the Offshore Fishing homepage and I will gladly add you to this exclusive team.

If you have any ideas, or want to volunteer to help with offshore events, feel free to contact me anytime.

Tight Lines!

Jim

# Triple Crown Tournament July 1 to October 31, 2023

**Registration opens June 1**

The Triple Crown Tournament is a fun, challenging, and competitive contest. The goal is to catch a Tarpon of 30 inches or more, and the largest Redfish and Snook over a four month period. It is also very relaxed as it allows the angler to fish at her or his own pace. The angler can fish at any time, day or night, anywhere within the backwater boundaries established by Marco Sportfishing Club, and with any other angler (*no professional guides*) or alone. Seven BIG cash awards will be given out at the end of the contest. The winner will also have her/his name engraved on an individual nameplate attached to a perpetual trophy plaque that is displayed at the Compass Group at Morgan Stanley, the local sponsoring firm.

**The registration fee is \$20 if received on or before June 30, 2023**

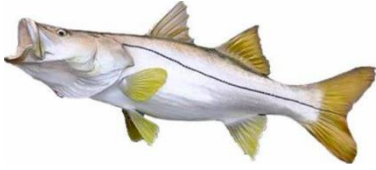

**\$25 if received after June 30 until August 31, 2023**

**No entries will be accepted after August 31, 2023**

Interested anglers can sign up in one of three ways:

1. On the MSC website payable by credit card (*preferred and easiest*)  
OR
2. At upcoming MSC General Meetings
3. By sending a check (payable to MSC) to **Marco Sportfishing Club, P.O Box 2104, Marco Island, FL 34146-2104** (not 34145). Please write "Triple Crown" in the note field on your check and include your contact information (e-mail and telephone number) on a separate piece of paper if it is different from the contact information you provided for the annual MSC membership registration.

Tournament rules are available on the MSC website (<http://www.marcosportfishingclub.com>). Marco Sportfishing Club 2-Line Rule (January 1, 2019) and Catch Verification Rules (February 6, 2023) will apply.

# Picnic Guidelines

## General Tips

Because of park scheduling and catering issues, picnics will be held rain or shine, except in the event of named storms.

Due to limited seating under the chickee huts, bringing folding chairs and tables are encouraged. Veteran picnic-goers tend to cluster in groups with their own chairs.

Guests will pay a sur-charge of \$5 over the normal member charge. Since MSC has only family memberships, both husband and wife are members.

New members or new picnic attendees should identify themselves at check-in and at the beverage chickee in order to be introduced to other members.

Start time is always noon, beginning with a "social half-hour" with food serving **BEGINNING** around 12:30. Obviously if we're cooking steaks, everyone can't eat at the same time. The serving start time is approximate, depending on caterer delivery or efficiency of the cooking crew.

There is no set finish time, lasting until all fish tales have been exhausted (but no later than dark, when the gates are locked).

<https://www.marcosportfishingclub.com/Flyers/RULES-Picnics/2021-0420-PicnicParkingRules.pdf>

## NEW LATE FEES

Due to the inordinate number of people paying late and the resulting workload increase on the host, the deadline for picnics is now **9 days** before the picnic and the late fee is increased to **\$5/person** (also considers inflation).

Additionally, there will be an extra "Really Late Fee" of an additional **\$5/person** for signing up after the Saturday before the picnic.

Echecks – They are very slow and could cause you to be charged a late fee. Even though some banks say they will be delivered in 5 business days, the last two echecks took 9 days to arrive (7 business days), so plan accordingly.

## April 20, 2023, Buddy Trip

The weather was great with a delightful warm ambience and gentle breezes. The group consisted of seven boats and 21 anglers. We started fishing for the elusive whiting in the deep channel just off Coon Key. We then taxied to Whitney Channel and fished there for several hours. At that point some of the boats moved to Camp Key. Some boats ended the outing fishing in Sugar Bay.

The catch consisted of bonnethead shark, ladyfish, spotted trout, silver trout, whiting, snapper, grunts, redfish, snook and, of course, an abundance of catfish. Lee Konecke landed a nice 26-inch redfish. Steve Burton landed a small snook.

As usual, the trip ended with 42 people enjoying a great social event with cocktails and dinner at Paradise Found Restaurant. All in all, it was a wonderful day filled with friendship and camaraderie.

This was the last Buddy Trip of the season. We will start up again in the fall.

If you have any questions/comments, words of wisdom or wish to be added to the Buddy List contact Joe Perino [rivpress@aol.com](mailto:rivpress@aol.com)
